Directions

The Barrington Lions Club Scavenger Hunt begins at 5pm on Friday, July 15 and ends at 5pm, Sunday, July 17 at the Barrington Street Fair.

Complete tasks at the team's desired pace. Teams do not need to complete all tasks to be eligible for prizes.

A member of the team will need a cell phone camera to participate in the Barrington Lions Club Scavenger hunt as some of the "tasks" require a picture to prove that you/your team completed the task. The photo will be shown to a Barrington Lions Club representative when you go to the Barrington Street Fair to complete your "task list".

On July 17, go to the Barrington Lions Club tent at the Barrington Street Fair between **3pm and 5pm** to complete your scavenger hunt task list. Bring this task list with you. **You must attend the street fair to be eligible for prizes!** At 5pm, the Barrington Lions Club will total each team's points and award prizes.

A prize will be awarded to the three teams with the highest point count. An additional prize will be raffled among the remaining teams who completed the scavenger hunt.

Remember, completing the scavenger hunt means attending the street fair and turning in your task list to the Barrington Lions Club representative by 5pm. You do not need to do all of the tasks to be eligible for prizes. It's more important to have fun!

Email BarringtonRILionsClub@gmail.com with any questions.

Have Fun!!
